IMPORTANT INFORMATION

REAR CORD BREAKAWAY DEVICES:

If the rods on your roman blind will be spaced any greater than 20cm apart, you are required by law to fit a break away device to the rear cords in order to conform to BS EN 13120 child safety legislation. Our break away devices can be supplied as an optional extra for these circumstances.

For pricing information, please refer to the price guide.

Standard Specification

(Optional upgrades available at an additional cost, please refer to Roman Blind price list)
